The southern rice growers have fared better at the hands of the Democratic tariff makers. The Wilson tariff imposes a duty of almost sixty cents a bushel on rice.

Last Monday, when the famous evangelist, Billy Sunday, showed in Lexington, a Main street confederator of the Fayette capital did a rushing business dispensing "Billy Sundays." Where the Rev. Billy is, there is the coin also.—Carlisle Mercury.

HAVE THEY DONE IT?

You remember, just before electing the present incumbent of the White House, that the Democratic "spellbinders" announced that he and his party would reduce the "high cost of living." Have they done it? Instead they have reduced the earning capacity of the working people of the country by halting business, a characteristic feature of its own. Instead of lowering the cost of many of the necessities of life, they enforced upon them a condition that makes it impossible for them to buy at any price.—Clintwood (Va.) Moon.

THE REAL PROBLEM.

The New York Mail reports Mayor Mitchel as having recently said:

It is necessary that we should develop a good system of industrial education for the City of New York. It will be worth while. I hope in the next four years to see such a development that our boys and girls will be equipped to earn a living with their hands as well as their heads.

The Mail is greatly impressed with the need of more and better trained workers in the industrial field. We think there is at the present time a need for more pressing than this. It is that more work and wages be provided for the workers, trained and competent workers, who have lost their jobs because the work they had previously been paid to do is being done by workers in foreign countries. When Americans are fully employed in doing the work for Americans, when the demand for labor exceeds the supply, and when there are three jobs for every two workers, there is much need of more trained workers. But not now, when Free-Trade has cost so many workers their jobs and when the real problem, the pressing problem, is how to find work for those who are willing to work but can find no work to do. To the solution of this problem the Mayor and the Mail might better direct their attention.

Every time we hear of a wedding we wonder how the girl asked the man to marry her.

NO MORE FOR YOURS TRULY.

"I doubt if there is a particle of danger of Iowa sending back a single Democrat," says J. B. Hungerford, Editor of the Carroll Herald, Carroll, Iowa, about the Congressional elections this fall.

Mr. Hungerford is editor and publisher of the oldest paper in his county and is in close touch with political conditions in the Hawkeye State.

He says that the results of the Democratic tariff which are already beginning to show the Middle West are giving the farmers great concern especially the importation of corn and meat from Argentina to compete with products of the American farmer. These things are threatening the farming industry says Mr. Hungerford but they have not lessened the cost of living.

He says the Democratic tariff is helping the trusts that have acquired the control abroad of foreign products that are being shipped into the United States to compete with the American farmer.

THE DAILY NOVELETTE.

The Medicine Man.

A doctor's life is a busy one;
The train—he sure must catch it,
And what he cannot cure with drugs
He chops out with a hatchet.

Again the telephone bell jangled noisily.

"Hello! Hello!" answered Dr. Pinchfinger. "What? I tell you I'm a very busy—I can't come over yet. I have something very urgent on hand. I'm very sorry your husband is dying, but we must all come to that sooner or later. Yes, I'll come as soon as I can. Good-bye."

Seven minutes later it rang again.

"Hello! What, you again?" cried Dr. Pinchfinger. "Didn't I tell you that I have a most pressing matter on hand? Certainly I'll come as soon as possible. What? My trained nurse? No, she's just as busy as I am. In fact she's helping me out. Neither of us can come for a little while. Good-bye."

And the doctor slammed down the receiver and turned to his trained nurse. No one else was in the consulting room, although outside in the waiting room twenty-seven sufferers were reading the doctor's diplomas on the walls and otherwise trying to forget their troubles.

"Now, Miss Stepper," said Dr. Pinchfinger in his best professional manner, "suppose we just go over that last maxixe step once more, and then we both had better run over to that woman's house. If her husband is really dying I suppose we really ought to go."

So they perfected the maxixe step to the music of an Edison stethoscope and then slipped out the back way, leaving the suffering twenty-seven to continue reading the diplomas hanging in the waiting room.—Louisville Times

AFTER SUFFERING TWO LONG YEARS

Mrs. Aselin Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Minneapolis, Minn.—"After my little one was born I was sick with pains in my sides which the doctors said were caused by inflammation. I suffered a great deal every month and grew very thin. I was under the doctor's care for two long years without any benefit. Finally after repeated suggestions to try it we got Lydia E. Pinkham's Vegetable Compound. After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again. I will answer letters if anyone wishes to know about my case."—Mrs. JOSEPH ASELIN, 628 Monroe St., N.E., Minneapolis, Minn.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy we know for woman's ills. If you need such a medicine why don't you try it?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co., confidential, Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, not held in strict confidence.

BURDENS LIFTED

From Maysville Backs—Relief Provided By Lapse of Time.

Backache is a heavy burden; Nervousness, dizziness, headache. Rheumatic pain; urinary ills; All wear one out. Often effects of kidney weakness. No use to cure the symptoms. Relief is but temporary if the cause remains.

If it's the kidneys, cure the cause. Doan's Kidney Pills are for kidney ills.

Read about your neighbor's case. Here's Maysville testimony. The kind that can be investigated. Mrs. John E. Burns, Maysville, Ky., says: "The statement I gave before when I publicly recommended Doan's Kidney Pills, still holds good. I know that this remedy is just as represented as it has been used by one of my relatives with satisfactory results. Doan's Kidney Pills were procured at Wood & Son's Drug Store."

Mrs. Burns is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Burns recommends—the remedy backed by home testimony. 50c all druggists.
